Dear George:

Approval is requested for the following purchase order to be issued on a time and material basis for System No. 2 of Contract A-101.

This purchase order is to be placed on a time and material basis with the best qualified source, as a result of competitive bidding.

The purchase requisition, dated 24 January 1956, specifies January 27, 1956, as the delivery date required. This does not allow sufficient time to secure competitively fixed price bids.
